

# The Northwest Missourian

Northwest Missouri State Teachers College

VOLUME XIV

MARYVILLE, MISSOURI, FRIDAY, MARCH 23, 1928

NUMBER 19

## Medsker Wins In Oratory; to Represent Mo.

Maryville Orator Wins State Contest And Goes To Stevens Point, Wis. April 7—Debate Team Has Busy Season.

By winning first place in the Missouri Intercollegiate Oratorical Contest held last week at Warrensburg, Leland Medsker will represent Missouri in the Interstate contest, to be held at Stevens Point, Wisconsin, April 7. Mr. Medsker's subject is "Colossus of the North".

The Interstate Oratorical Contest is sponsored by the Interstate League of Teachers Colleges. This organization was formed for the purpose of holding contests in public speaking and includes four states: Wisconsin, Missouri, Illinois, and Iowa. The winners from each of the states in extemporaneous speaking and Oration have the privilege of entering the Interstate Contest.

At the Intercollegiate contests last week all Teachers Colleges of Missouri were entered in both oration and extemporaneous speaking with the exception of Warrensburg. Warrensburg entered only in oration. Springfield won the extemporaneous speaking contest.

The affirmative debate team composed of Fred Smith and Gerald Carroll have two remaining debates this season. They will debate Central College, Pella, Iowa, March 22 and Penn College, Oskaloosa Iowa, March 23.

Thus far this season the teams have debated five other schools. The affirmative team composed of Fred Smith, Gerald Carroll and Leland Medsker lost to Tarkio and the Negative team composed of Clyde Rowland, Wiley Peterson and Leland Medsker lost to Omaha University.

The affirmative team returned last week from a tour including three schools: William Jewell College, Liberty; Baker University, Baldwin, Kansas; and Central College, Fayette. Two of the debates, William Jewell and Baker University, were non-decision debates and at Fayette, Central College won the decision.

## Track Season Opens; Outlook Is Promising

Several Letter Men and High School Stars Now Working Daily On Cinder Path.

Coaches Lawrence and Davis are making plans and preparations for what they think will be the most successful track season in the history of S. T. C. Several men have been out regularly for practice and many more are expected out for practice Monday, March 19.

Carl King and Roy Smith, the winners of first and second places in the cross country race, are expected to show up well in the distance runs this spring. There are several men to crowd Smith and King for their places in these runs. Cecil Smith, a Ridgeway high school star is showing up well in the dashes. Smith is expected to do more in the meet at St. Louis than he did at Kansas City, February 18.

Windell Culp and Frank Daniels former Ridgeway high school track men are making themselves prominent by the speed they are showing in practice.

Lloyd Hollar, this year's captain and all-around man in the field events, is entering his fourth year on the track team and is expected to win many points in his events.

The coaches urge that every one who thinks he would like to come out for the varsity to come out. All candidates will be issued necessary equipment.

## 78 Seniors Order Their Caps--Gowns

The first order for the Senior caps and gowns has been sent. Seventy-eight students ordered caps and gowns this time.

Any Seniors not in school now who expects to be graduated this spring should send their height, chest measure, cap-size and two dollars to Merce Williams, president of the Senior Class, at the College.

### Rural Practice Teachers

Student doing practice teaching for the first half of this quarter in rural schools are: Natalie Keef at the Martha Washington rural school; Helen Carson and Reuel Isaacson at the Myrtle Tree rural school.

## Swimming Pool Water Analyzed as Healthy

The water in the gymnasium swimming pool at the College is not only pure for swimming but comes up to the standard for drinking water, according to a test recently made by the State Board of Health at Jefferson City. A result of the test was sent to Dr. Green after he had submitted a sample to the State Board for analysis. The analysis showed 2 B. Coli per 100 cubic centimeters, which is the standard for safe drinking water.

## Senior Makes 5 E's; Freshman Is Next with Four

Susie Doebbling Carries Off Winter Term Scholastic Honors With Andrea Brazelton A Close Second—Other Honor Rankings.

Five E's for twelve and a half hours credit and an S in Physical Education for good measure is the scholastic record of Susie Doebbling, of Craig, senior at the College, made last quarter to carry off the grade honors, President Lamkin announced at Assembly Wednesday. And Susie didn't have a snap course either for she took excess work and carried the following subjects in addition to the non-credit course of physical education: History of Education, Senior Chemistry, Land Economics, General Economics and Nutrition.

A close second for scholastic honors for the quarter was Andrea Brazelton, of Blythesdale, a freshman. She carried the regular course of ten hours and made four E's in addition to an M in her non-credit course in Physical Education. She took American History, Rural School Management, Citizenship, and Principles of Teaching.

These were the only two students making all E's last quarter. But President Lamkin announced a list of eight others deserving "honorable mention." With one exception these students made only one S and the rest E's. Mrs. Lena Leeson, of Maryville, making two E's in the two courses she was taking.

Jean Freeland, of Sheridan, an honor student of the fall quarter, made four E's, one S and an M in Physical Education last quarter. The other students on the list for honorable mention are: J. C. Bennett, King City, 4 E's and an S; Katherine Mills, 4 B's and 2 S's; Paschal Monk, Burlington Junction, 2 E's and 2 S's; Earl Beam, Maryville, 3 E's and 2 S's; Susie Hankins, Osborne, 3 E's and 2 S's; and Miss Kathleen Jones of Parnell, 3 E's and 2 S's. Mabel Williams, 3 E's and 1 S; and Stella Williams, 3 E's and 2 S's.

A look into the scholastic record of Miss Doebbling reveals some interesting points. She finished the regular four-year high school course at Corns in three years. During that time and the summer following her graduation she took college work in residence and by extension to give her thirty hours of college credit when she was ready to enter her as a freshman in September of her first year. For the last six terms she has carried excess work to make 60½ hours credit. During that time she made one M, ten S's, and fifteen E's. She now has more than 150 hours of college credit.

Unlike many other scholars, Miss Doebbling has other interests. This year she has been active in girls athletics, making the volleyball Varsity team, and participating in the girls swimming meet. She has also been active in the Kappa Omicron Phi and the Y. W. C. A.

Miss Doebbling is majoring in Home Economics and also has a major in chemistry as it applies to the home economics field. Her plans for the summer are not definite but next fall she will enroll in the graduate school at Columbia University, New York.

Mr. and Mrs. S. J. Dykes of King City spent Sunday with their daughter, Miss Dykes, of the English department. Others in the party visiting Miss Dykes were her sister, Miss Mary Dykes, her cousin, Miss Bortha Pence and her nephew, Donald Alderson.

## Eight Girls Chosen For Swimming Team

The varsity swimming team has just been announced. Those named were: Margaret Quinlan, Margaret Putnam, Virginia Penn, Florence Scott, Clara McKee, Eleanor Montgomery, Harriet Miller and Margaret Carnut. They will receive a green M with a white fish.

## 2 Associations Put College in High Rankings

North Central Association Advances S. T. C. To Regular List For Liberal Arts Work—Is Ranked High For Professional Training.

Two scholastic honors in educational ratings have been given to S. T. C. during the past two weeks by the American Association of Teachers Colleges and the North Central Association of Colleges.

Last week the North Central Association met in Chicago and at that time advanced this College to the regular list of Liberal Arts Colleges and Universities. In the past S. T. C. has been fully approved by the North Central Association as a professional school and this additional ranking places the North Central stamp of approval upon the Liberal Arts work being done here. Only twelve teachers colleges which made application for this rating received it and five of them are located in Missouri. This ranking places the Liberal Arts work and A. B. degree here on a par with the universities in the middle west and gives it the same ranking the College has enjoyed for years on its professional training.

At a meeting of the American Association of Teachers Colleges in Boston recently a ranking of 175 teachers colleges, which made application, was made. Out of that number sixty-three were placed in Class A. Three groupings were made in Class A colleges with the highest ranking institutions placed in the first group. S. T. C. was among the twenty-three schools in this first group—as high a ranking given any teachers college in Missouri or elsewhere.

The rankings of these official educational organizations places S. T. C. with the best colleges in the country both in Liberal Arts and professional teacher-training work.

President Lamkin attended both of these meetings and was particularly gratified at the recognition given to the work being done at our College.

## Apropros Offers Prizes for Writings

Apropros Magazine, published monthly as the official organ of the Automobile Club of Missouri, is offering a prize of thirty-five dollars for the best humorous article or skit on motoring, between 1500 and 2500 words. All manuscripts submitted will be considered for publication in Apropros at the magazine's usual rates. Unavailable manuscripts will be returned as soon as the judges have reached their decision.

The contest is limited to undergraduates in Missouri colleges and universities, including all persons regularly enrolled in extension courses.

Submissions in the contest must be post-dated no later than midnight, June 1. Each manuscript should be signed by a non-de-plume and accompanied by a sealed envelope bearing the non-de-plume on its face and the correct name and address of the contributor on a slip of paper inside. The judges in the contest will be Ralph E. Mooney, editor, Southwestern Bell Telephone News; A. P. Satterthwaite, president, St. Louis Writers' Guild, and Harold A. Peprill, editor, Apropros.

All manuscripts should be to College Contest Editor, Apropros, 4228 Lindell boulevard, St. Louis, Mo.

## Roy Dickman New President of Y. M.

Roy Dickman, senior, of Chula, has been elected president of the Y. M. C. A. for the spring quarter to succeed Leland Medsker. The other officers elected are: Vice-president, Carl Leroy Fisher, Maryville; secretary, Gordon Trotter, Ridgeway; and treasurer, F. H. Wiley, Englewood.

The Y. M. now has a paid up membership of eighty members.

### To Enroll in S. T. C.

L. Dowell and W. Dowell, members of the Gilman City High School basketball team which were runners-up in the district tournament here are planning to attend College here next year, it was learned following the tournament. The boys' parents have moved to Maryville and the boys finish high school at Gilman this spring. W. Dowell was named as forward on the all-district team.

## 130 Students Here Get Vaccinations

Under the direction of the County Health Department, 310 were vaccinated in the health office at the College. This number consisted of college students, high school, and grade pupils. Dr. Green said the percentage of the vaccinations that "took" was very high.

The co-operation shown by the students, pupils, and parents was excellent. The students came in to be vaccinated so rapidly that the department soon exhausted its supply of vaccine, so more vaccine was ordered and the remaining students were taken care of as soon as possible.

## Spring Quarter Gets Underway; Enrollment Good

Conservatory and Short Course Will Bring Total To About 800—Quarter To Be Busy One.

With the Spring Term a week old now all indications point to one of the best spring quarters the College has had in a long while. The classes are more evenly divided and few conflicts and changes of courses were reported this week than usual.

Then enrollment in Mr. Rickenbrode's office Wednesday was 592 students which is some twenty-eight more than he had when the short term opened last year. When the Conservatory enrollment is checked and with the expected registration for this Short Course, the total for the Spring Term should be close to 800 students.

Many students who were here last quarter have had to drop on account of work but almost as many new faces are to be seen on the campus. Several new students from Iowa are included in this group.

The calendar for the Spring Term is as follows:

### Freshmen Problems

All first term girls entering college quarter will meet Miss Barnard in the recreation room each Thursday at 3:20 p. m. for the course in Freshmen Problems. The first meeting of the class will be on Thursday March 22nd.

## Many New Students Enroll This Term

With the opening of the spring quarter many new students are noticed in school. Some of the students have attended our College previous to this school year while others for the first time are becoming a part of S. T. C.

The following are some of the new women students who enrolled the spring quarter:

Irma Crowder, Galt, Mo.; Mildred Ferguson, Bedford, Iowa; Edith Heaton, King City, Mo.; Mary K. Williams, Kingston, Mo.; Ollie Whitaker, Bedford, Iowa; Zelma Dale, Ridgeway, Mo.; Mattie Jones, Burlington Junction, Mo.; Mildred Wood, Maryville, Mo.

Lois Dayhoff, Hamilton, Mo.; Martha Herriedge, Tarkio, Mo.; Darline Rodacker, Ren, Mo.; Leona Whitaker, Bedford, Iowa; Viola Gladman, Sheridan, Mo.; Mrs. J. Seeley, Chinsville, Mo.; Mrs. Leta Christensen, Maryville; Vorin Boozee, Hopkins, Mo.

Mr. Wells conducted a study of the library in the English 11b classes last week. He explained the use of the card catalog, and gave directions as to the location of different classes of books.

### A Success at 16

On Nov. 18, 1918—her sixteenth birthday—Miss Tell made her debut with the Chicago Opera Company in "Traviata". What she did with her great opportunity on that occasion is a subject upon which Miss Tell was too delightfully modest to enlighten anyone. One realizes that leaping into fame over night is not a feat confined solely to cinemas and best sellers. Can you imagine how it must feel to be 16 and unknown one day and the next day see your picture in all the Metropolitan newspapers, between Amelita Galli-Curci and Lucien Muratore, and with your face and your capton line every bit as big and important-looking as theirs? Miss Tell was very happy, of course, but not at all contented. The fact that she is not only the first American girl to be a premiere danseuse, but also, as far as (Continued on Page Two)

## 3 Stars Coming In Concert for Monday Evening

Sylvia Tell, American Premiere Danseuse, Laura Townsley McCoy, Coloratura Soprano, and Leith Stevens, Pianist, To Give Major Entertainment.

The outstanding College attraction for the spring quarter, an innovation in the way of major entertainments, will be given in the College auditorium next Monday evening by three outstanding artists. Heading the list is Miss Sylvia Tell, American Premiere Danseuse, internationally known for her charming interpretative dancing. Of equal merit is Miss Laura Townsley McCoy, American soprano, who received such favorable attention last year as assisting artist with Madame Schumann-Heink in her Golden Jubilee tour. The third star on the program will be Leith Stevens, favorably known pianist and accompanist. Mr. Stevens is replacing John Thompson on this program as Mr. Thompson's recent illness caused him to cancel all of his engagements. In a letter this week from Horner-Witte, Mr. Horner wrote that Mr. Stevens is proving a most worthy alternate for Mr. Thompson and has had an enthusiastic reception everywhere he has played.

The general admission to this concert will be \$1.00. Students will be admitted on their major coupons. The reserved seats will go on sale at Kuehls Bros. Friday, March 23.

Miss Tell furnishes the innovation of the program. She is the most outstanding in the Terpsichorean Art in America and as an interpretative dancer is without equal in this country. Her career has been marked with distinction since her debut with Madame Galli-Curci in "La Traviata" as American Premiere Danseuse of the Chicago Opera Co. It was the late Cleofonte Campanini who discovered Miss Tell and made her the Premiere Danseuse of his company, the first distinction of its kind ever accorded an American. Even Anna Pavlova, the celebrated Russian dancer has been enthusiastically about Miss Tell and described her as, "The most perfect American girl."

### Miss Tell a Milwaukee Product

Sylvia Tell was born in Milwaukee, Wis. Unlike most people who turn out to be celebrities, she doesn't ever claim to have been a precocious and extraordinary child. There is no record that she arose in the night to dance as the infant Handel did to play. On the contrary, for years her dancing gift was not ever suspected by those most interested in her life and progress. She was merely a very graceful and rather delicate little girl.

Because she was delicate, she began taking up folk dancing at a night school in Chicago. Here it was after a time that Dr. Ziegfeld, of the Chicago Music College discovered her. Then her study of dancing began in earnest. For four years, up until February, 1918, she worked constantly and unremittingly to perfect herself in the art, under the direction of an European ballet mistress. That her time during those four years was more than amply filled is evidenced by a recital of a few of her activities. She kept up with her regular school work all the time, took her lessons and practiced dancing for hours every day, taught a number of pupils of her own, studied music, appeared at innumerable recitals, benefits and musicals and spent what little spare time she had in attending the theatre and the opera, observing the methods of famous dancers, or wandering through the slums of the city accompanied by her mother, studying foreign types and ways, in order that her future characterizations should be perfect in every detail.

### Success at 16

On Nov. 18, 1918—her sixteenth birthday—Miss Tell made her debut with the Chicago Opera Company in "Traviata". What she did with her great opportunity on that occasion is a subject upon which Miss Tell was too delightfully modest to enlighten anyone. One realizes that leaping into fame over night is not a feat confined solely to cinemas and best sellers. Can you imagine how it must feel to be 16 and unknown one day and the next day see your picture in all the Metropolitan newspapers, between Amelita Galli-Curci and Lucien Muratore, and with your face and your capton line every bit as big and important-looking as theirs? Miss Tell was very happy, of course, but not at all contented. The fact that she is not only the first American girl to be a premiere danseuse, but also, as far as (Continued on Page Two)

## 8 Certificates and Three Degrees Given

Three B. S. degrees, five 60-hour certificates, and three 30-hour certificates were granted to applicants at the end of the last quarter. Vernon J. Barrett, Mrs. Lena Weage Leeson and W. I. Lewis were granted degrees. Wilma Cook, Leroy H. Elam, Marie Harding, Virginia Hill, and Grace Horn were granted 60-hour certificates, and Glen Hornbuckle, Edna Irwin, and Grace Westfall were issued 30-hour certificates.

## Sigma Tau Gets "Frat" House on West 7th Street

Social Fraternity Leases Egleys Home For Members—Twelve Will Stay and Dine There.

The Sigma Tau Gamma Fraternity has leased the Egleys residence on West 7th street to be the first organization on the campus to have a fraternity house. The movement by the chapter to obtain a residence has been on foot for several months but satisfactory living quarters could not be obtained until now.

At present there are about twelve men living at the house. In connection with the rooming facilities the boys also have a dining hall and downstairs lounge rooms. Mrs. Ed Egleys will continue her residence at the house as housemother and chaperon.

The members who are living at the house are: W. P. Green, Truman Nickerson, Maynard Pettigrew, Dean Johnson, Orlo Smith, Gordon Trotter, Louis Moulten, Everett Deardorff, Paye W. Null, Mack Graham, and Truman Scott. The chapter has several active members who live in Maryville and do not stay at the fraternity house. The active members who do not live at the house are: Forrest Eckert, Donald Bailey, Homer Richmond, Ray Ferguson, and Stewart Tulloch.

The chapter also has several alumni members some of whom were graduated last year and others who are working this year with the intention of returning to school to finish in the near future. These men are: Cleo T. Wyman, who is attending school at Columbia; Ward Barnes, a supervisor in the Public Schools of St. Louis; Kenneth L. Fouts, who is at present in Detroit, Michigan; Byron Beavers, Superintendent of Schools, Converse; D. Gordon Ronch, a teacher in the Public Schools of Marshall; Joseph M. Phipps, of Bismark, North Dakota; Roy Ferguson, a teacher in the rural schools near Burlington Junction; and John Carman and Morris Chick of Maryville.

The Maryville chapter of Sigma Tau Gamma is known as the Theta Chapter, the organization being a national Fraternity consisting of nine Chapters. The Alpha Chapter, Warrensburg; Beta Chapter, Kirksville; Gamma Chapter, Alva, Oklahoma; Delta Chapter, Emporia, Kansas; Zeta Chapter, Talokanah, Oklahoma; Theta Chapter, Maryville; Iota Chapter, Kent, Ohio.

The Theta Chapter, here, was founded April 2, 1927 and was the result of a local organization known to former students as the Epsilon Kappa Sigma. At that time there were not more than ten members but in the past year since the affiliation with the national fraternity the chapter has grown considerably in membership. At the time of the founding of the national chapter L. M. Eek was elected to membership and to act as sponsor of the organization.

### Miss Buehlman Resigns

The last issue of the Black and Gold, school paper of the Adrina High School, carried announcement of the resignation of Miss Gladys Buehlman as commerce teacher. Miss Buehlman is an S. T. C. alumnae and had taught there for five years. Miss Buehlman plans to continue her college work.

## Audrey Stiwalt and Wm. Gaugh Married

Audrey Stiwalt and William E. Gaugh, both S. T. C. seniors were married at St. Joseph at the home of the bride's parents during vacation. Both are back in school and will take their degrees this spring. Mr. Gaugh plans to enter Columbia University this summer to work towards his Masters degree.

## 8 Bearcats Get Varsity M's as Season Closes

Team Ranks Second in Conference—Gets 3 All-Star Berths and Goes three Rounds in National Basketball Tournament.

Letters for Eight  
Eight Bearcats of the 1928 squad were awarded Varsity sweaters by President Lamkin at Assembly this week. Only one of the eight, Lloyd Harris, will be lost by graduation this year. Letters were given to the following:

Paul Burks, co-captain, star and three stripes.  
Leon Ungles, co-captain, star and three stripes.  
Orville Hedges, three stripes.  
Lloyd Harris, one stripe.  
Howard Iba, one stripe.  
Raymond Ferguson, two stripes.  
Riley Davidson, one stripe.  
Raymond McKee, one stripe.  
The stripes designate the years of service and the stars indicate a captaincy.

Maryville, 30; Kirksville 42.

When the 1928 Bearcat basketball season closed last week with three brilliant played games in the national tournament the season's record showed twelve games won out of nineteen played and the Bearcats tied for second place in the M. I. A. A. conference. Five of the games lost were to conference teams but it must be remembered that Coach Lawrence's quintet defeated every team in the conference—and incidentally lost to every team. One game was lost to the Cook Points of Kansas City, 1928 national champions, and the other non-conference defeat was by the St. Joseph Hillyards, 1927 national champions, and then by the narrow margin of two points.

Not only did the Bearcats finish a most successful season but several of the players were given individual honors. Burks and Hedges were placed on the all-M. I. A. A. first team, Harris was placed on the second team, and Ungles was given honorable mention. In the conference scoring Hedges ranked third for the season with 130 points. In addition to conference honors to his credit and Burks was fourth with 103. Ungles was eighth with 70 ors Burks was given honorable mention as one of the outstanding players in the National Tournament at Kansas City.

The K. O. Tourney  
The Bearcats made a brilliant showing at the national tournament in Kansas City and brought forth much praise (Continued on Page 4)

## Bulletins Out for Spring Short Course

The five-weeks Spring Short Course of the College will open April 30 this year and close June 1, it was announced this week following the publication of the Short Course Bulletins. This Short Course is designed to serve teachers of eight-months schools so they may make five hours credit before the opening of the Summer Term and a total of fifteen hours if they attend the summer session.

Students for the short course will take two classes, each meeting twice daily for the five weeks. About thirty courses will be offered in the different departments for credit to apply on teaching requirements. A copy of the bulletin may be obtained by writing President Vol W. Lamkin, State Teachers College, Maryville, Mo.

## 6th Northwest Missourian

Which Was The Green and White Courier  
MARYVILLE, MISSOURI

Published once a week at the State Teachers College, Maryville, Mo., except the last of August and the first of September.  
Entered as second class matter, November 8, 1914 at the Post Office at Maryville, Mo., under the act of March 3, 1879.

"We will never bring disgrace to this, our College by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will respect and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better and more beautiful than it was transmitted to us."

### Alumni Notes

Miss Hermie Fyelling who has a 60-hour life certificate from S. T. C. is teaching at Westboro, Mo.

Miss Helen Tobow received her B. S. from the College in 1924 and is now teaching mathematics in the Clarkson, Nebraska, High School.

Eugene P. Allison who received his B. S. in 1926 is Superintendent of schools at Grayson, Mo.

Miss Melba Browning, a former student of S. T. C., is teaching in the grades at Mound City, Mo.

Miss Lila Browning is also teaching in the grades at Mound City, Mo.

Miss Dorothy Tuggle is teaching a rural school near Ridgeway.

Miss Roberta Cook, active in many branches of College affairs while in school has been teaching Physical Ed. in the Cameron High School the past two years.

Miss Hazel Cox with a B. S. from S. T. C. is supervisor of music and teacher of English in the high school at New Hampton, Mo.

Leston Webb who was prominent in College activities while in school is teaching and coaching at Bethany, Mo.

Miss Helen Qualls is teaching English in the high school at Parnell, Mo. Helen was active in many phases of college life as a student of S. T. C.

Edgar Wilkerson is now in the retail hardware business at Union Star, Mo.

Donald Berst who received his B. S. from S. T. C. last summer is teaching mathematics and science at Rock Port high school this year and also coaching.

Verna E. Stanton a former student is teaching in the primary grades at Rock Port, Mo., this year.

Pearcy Wood is teaching the seventh grade in the Rock Port Public school at the present time.

Eugene Dixon with a B. S. from the College is principal of the Rock Port High School.

Marjorie Clevenger, a summer school student for several sessions, is teaching in the grade school at Rock Port.

Georgia Bird, a former student of S. T. C., is teaching in the grade school at Rock Port, Mo.

Grace Updike who has a 60-hour certificate from the College is teacher of the fifth and sixth grade at Rock Port.

Lona Hughes is teaching the fifth grade at Stanberry, Mo., this year.

Lawrence A. Zeff who is a graduate from S. T. C. is superintendent of school at Stanberry, Mo.

Carl W. Boso with a B. S. from the College is principal of the Stanberry high school.

Eloree Turner is teaching the third grade in the Stanberry Public School.

Elsie M. Sager is teaching in the grades at Stanberry, Mo.

Amelia Modern has a B. S. from S. T. C. and is teaching in the Stanberry high school this year.

Leslie G. Somerville, who has his B. S. Degree from S. T. C. is county superintendent of schools of Nodaway County at the present time.

Mrs. Mary F. Wagner, Grubb, a graduate from the College, is teaching commerce in the Loredo, Mo., high school.

Harry O. Thomas is superintendent of schools at Stewartsville, Mo., at the present time.

Winifred Diekey, a graduate from S. T. C., is teacher of music and English in the high school at Stewartsville, Missouri.

Bonnie Mutz is teaching in a rural school close to Maryville.

### 3 Stars Coming

(Continued from Page 1)

as is known, the youngest ever accorded the honor, was not sufficiency to her. To be a truly great dancer was her sole aim and ambition and her initial successes were to her only forerunners of greater successes which have followed.

Since this initial performance practically every large city in the United States heaped praise upon her for her

her dancing performances.

It is not often that a new artist appears on the musical horizon and attracts immediate attention as Laura Townsley McCoy has done. A little more than a year ago Miss McCoy was practically unknown to the musical world. Today she is a popular young artist with a crowded season of outstanding successes to her credit.

Miss McCoy created a sensational success last season as assisting artist to Madame Schumann-Heink on her Golden Jubilee Tour. She is a highly accomplished musician, descended from

a long line of cultural ancestry which included artists, writers, lawyers, and educators. Her father was a well-known Missouri Lawyer, and judge of the Supreme Court, a member of the Board of Regents of the University of Missouri at Columbia.

Miss McCoy's voice is a lyric coloratura soprano of rare quality, blended with a personality that is winsome and magnetic. She can scarcely be compared to any other singer as she is a distinct type and creates an atmosphere in her interpretations wholly individualistic. Her keen sense of human emo-

tion enables her actually to live the characters of her songs and to give them a realism seldom seen on the concert stage.

#### Praised by Damrosch

When Walter Damrosch, celebrated conductor of the New York Symphony orchestra heard Miss McCoy sing, he remarked, "Thank God for a singer who is possessed of great musical intelligence."

The following program will be given:

Liebesfreud ..... Kreisler  
Miss Tell

Allelujah ..... Mozart  
Nocturne ..... Curran  
Le Papillon ..... Fauré

Miss McCoy  
Clair de Lune ..... Debussy  
Miss Tell

3.  
The Three Cavaliers.....Russian Folk Song  
Joy ..... Lois Townsley Brown

Lullaby ..... Cyril Scott  
At the Well.....Richard Hageman  
Miss McCoy

5.  
(Scenes de la Czardas) Hejre .....  
Kati ..... Hubay  
Miss Tell

Intermission  
6.  
THE WATER LILY  
Romance in F Minor-op 5.....  
Tchaikowsky  
Miss Tell

7.  
Piano Solos:  
Rhapsodie B Minor.....Brhams

## Attention Orthography Experts! Try Your Skill on These "Jawbreakers"

The following is the list of words given to the fifty-seven county champions who participated in the Northwest Missouri Spelling Contest held at the College last week. Some of the words are spelled two ways. If you think you are orthographically expert see how many of these you can spell correctly. One high school student missed only two out of the 400; another only three, and a third only four. These words were selected from Northwest Missouri Newspapers.

Miss Dykes received a letter from Miss Painter stating that she and Miss Lowery, both of the English department, would be here June 6. Miss Painter and Miss Lowery have had leaves of absence for one year, during which time they have attended Yale University.

## Grid Stars Start Spring Practice

With the coming of nice weather, spring football practice has started at the College and a goodly sized squad of grid athletes are being sent through their paces preparatory to the opening of the season in the fall. Mostly fundamentals and kicking are being given to the squad.

### THE END

It would soon be over; he looked at the pistol, fingered the trigger and sighed. Why must it all end? Why did not Time stop in its eternal flight? He looked about him—a sea of faces—hilarious—hardly realizing that in a few moments he would end it all. Why did they stare at him so? He'd show them—the pistol! That was it. He raised it toward his head, took a last deep breath and fired! A woman screamed; the game was over!

"How did you break your wrist?"  
"I changed my mind in an automot restaurant."

Uncle Holtzman says, "I never did trust these circus freaks. Just yesterday I seen in a paper the headline: 'Three Armed Men Hold Up Drug Store.'"

## High School Notes

### Platte County Tournament

The Platte County Basketball Tournament was held at Edgerton High School Auditorium, March 9. The contesting teams drew for places at 9:30 and the tournament began at 10 o'clock.

The first game was between Edgerton High School girls and Platte City girls. This was a fast game and the Edgerton High School won by a score of 24 to 9.

The second game was with Parkville boys and Edgerton boys. This game was fast and the best boys game played during the tournament. Edgerton and Parkville both played good basketball and Edgerton won by a score of 39 to 24.

No more games were played until 2 o'clock in the afternoon when Platte City and Weston boys played. It was a slow but close game and Platte City won by one point after playing two tie-offs.

Following this game the Platte City and Parkville girls played. Platte City won with a score of 19 to 10. With the Platte City girls winning this made the finals between the boys and girls of Platte City and the boys and girls of Edgerton.

After this game a free-throw contest was held for both boys and girls. Three players from each team were allowed to enter. A. T. Baber and Clifford Greaves represented the boys of Edgerton while Rhodora Denny, Susan Wagle and Elizabeth Baber represented the girls. Each contestant was to have twenty throws and the one getting the most throws out of the twenty won the trophy. A. from Edgerton won the boys trophy with twelve goals out of twenty throws. Susan Wagle from Edgerton tied with a girl from Parkville and when the tie was shot off Susan Wagle won with an average of eight out of ten.

Following the free-throw contest the last game in the afternoon was played between Weston and Parkville. This game decided who would win third place in the county. This game was not very interesting with Parkville winning 23 to 12.

At 8 o'clock in the evening the final games between Platte City and Edgerton were held. The girls played first and Edgerton girls won with a score of 27 to 9. This game was the slowest and "deadest" game played during the tournament.

The boys game between Platte City and Edgerton was a slow and uninteresting game with Edgerton winning 24 to 1. In the third quarter most of the second team was put in and still Platte City was unable to score. In the last quarter a foul was called on Edgerton and Porter shot the goal scoring for Platte City.

After this game a short talk was given by our county superintendent, Mr. Ketterman, and he presented the trophies to Miss Rhodora Denny, Captain of the Edgerton girls team and Julian Misonor, captain of the Edgerton boys team.

**Good Season for Edgerton Girls**  
The Edgerton basketball girls feel that they have had a very successful season having won fourteen games out of sixteen. Their success has been due largely to their coach, Miss Frank Clarke, who has showed excellent ability in coaching and has worked hard with the girls. This team was captain

ed by Rhodora Denny. Miss Denny has played with the team three years and is a very dependable and steady player.

They lose three of their players this year: Elizabeth West, Elizabeth Baber and Dorothy Fouts.

Elizabeth West has played running center on the team three years. Those three years she has been the most outstanding player on the team. Every referee who has seen her play has complimented her on her excellent ability to play basketball.

Dorothy Fouts has only played one year but in that one year has proved to be a very good guard.

This was Elizabeth Baber's second year as forward. She is a good player and at times very spectacular. The other players who helped to make the team a success and who will return next year are: Dorothy Birt, Josephine Harrison, Lela Cox, Alice Martin and Susan Wagle.

Their most interesting trip was to play Raytown Girls who are now the Jackson-Cass County champions. The Edgerton girls won by a score of 24 to 14. The Plattsburg girls are clean players and very good sports.

The following were awarded letters: Miss Clarke, coach; Rhodora Denny, Captain; Dorothy Birt, Lela Cox, Josephine Harrison, Dorothy Fouts, Elizabeth Baber, and Elizabeth West.

The Platte County Basketball Tournament was held at Edgerton March 9th. Both boys' and girls' teams were en-

tared from Edgerton, Weston, Platte City and Parkville. Edgerton won both tournament trophies. Susan Wagle and A. T. Baber, both of the Edgerton teams, won the free goal contest trophies.

### Amity High School

The student body attended the Constitution a few weeks ago to the effect that letters be awarded at the close of the respective activities. An assembly meeting was held Friday afternoon for awarding the letters. Miss Butler, the girl's coach, gave a talk in behalf of the basketball girls after which Ruby Baker, captain of the girl's team, gave a response. Mr. Swann, the boy's coach, gave a talk. James Nichols read a review of the basketball season and Cecil Hays, captain of the boy's team gave a response to Mr. Swann's talk.

Mr. Leonard the debate coach gave a talk and George Riggs debate representative gave the response. Following each response the respective letters and stripes were awarded by Virgil Foster, Student Body President.

Mr. J. C. Godbey, State High School Inspector visited our school last week and the following is a copy of the letter we received from the State Department as a result of his visit.

Mr. Frank L. Bray  
Sec. Board of Education  
Amity, Mo.

My dear Mr. Bray:  
I have just received a very favorable report from the inspector who visited your school March 6. I am, therefore,

pleased to announce that I am continuing it on the first class list with 104 units of work approved.

I note from the report that you have met all the recommendations made last year and have provided some equipment that was not suggested. I wish to commend you on these improvements as they stand as a real measure on your interest in your school.

For your further improvement I wish to suggest that you secure a filing cabinet for the office so that your records may be kept in duplicate. You need a chart for Later European History.

I assure you that I appreciate the fine spirit of co-operation manifested toward this department by your board and superintendent. Call on me any for it."

time I can serve you further.

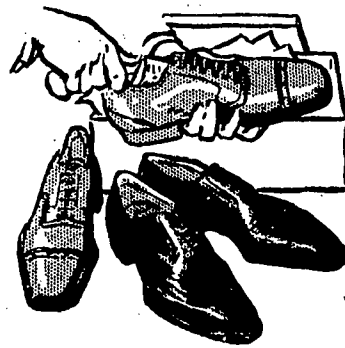

Very truly yours,  
Chas. A. Lee.

State Superintendent.

Lucille Hawman entertained the Senior Class and faculty at her birthday party Friday night. A very enjoyable evening was spent in playing games. Due to the fact that most high schools in the County are not playing baseball this year our coaches are training the boys, and girls as well, for track. Plans now are for the County Meet to be held at Maysville April 21.

"Girl! I'll have you know there's blue blood in my veins."

"I hope you are taking something

## 57 in Spelling Contest; Liberty Girl Is First

Misses Only Two Words; Cameron Girl Misses Three and Union Star Girls Misses Four—Elementary and Rural Winners.

"Questionnaire" and "Maintenance" were the two words which prevented Miss Gertrude Bell of Liberty High School from making a perfect record for 400 words in the annual district spelling contest held last week at the Northwest Missouri State Teachers College here. But even at that she won first prize in the high school section by missing a fewer number of words than any of the fifty-seven county champions entered.

Miss Irene Shirts of Cameron, Clinton County champion was second with only three words missed, "entailment," "barrier," and "askance." Miss Catherine Warren of Union Star, Clinton County champion, was a close third by missing only four words, they being "plebeian," "simultaneous," "chassis," and "chassis."

In the elementary school section Miss Margaret Greenwood, Moberly, Livingston County, placed first; Miss Vera Constance, Cameron, Clinton County, second; and Miss Ethel Nielson, Platte City, Platte County, third.

In the rural section Miss Mildred Johnson, Todd School, Andrew County won first, Miss Helen Donk of Gallatin, Daviess County was second, and Udel Garrahan, No. 5 School Buchanan County, was third.

Each entrant in this spelling contest was a champion in his county of his class and seventeen counties in Northwest Missouri were represented. The four hundred words given to the contestants were chosen from the newspapers of Northwest Missouri.

The judges were Miss James, Miss Dykes, and Miss Dow.

The pronouncers were J. C. Godbey, state school inspector; Miss Cassie Burk, state rural school supervisor, Albany; Mr. Garrett and Miss Bogle.

The counties and their contestants follow:

Andrew: Mildred Johnson, rural; Emily McDonald, elementary; Doris Patton, high school.

Atchison: Gertrude Adamson, rural; Claire Cowan, elementary; Ida Beth Newlon, high school.

Buchanan: Udel Garrahan, rural; Frances Flanagan, elementary; Fern McCauley, high school.

Carroll: Elmore Calfee, rural; Marjorie Carroll, elementary; Gladys M. Beard, high school.

Livingston: Emaline Martin, rural; Margaret Greenwood, elementary; Harold Burges, high school.

Olney: Cecil Hutchings, rural; Kay Davis, elementary; Gertrude Bell, high school.

Clinton: Jannita Rossen, rural; Vera Constance, elementary; Irene Shirts, high school.

Daviess: Helen Donk, rural; William Bills, elementary; Mildred Wise, high school.

DeKalb: Vinita Hoover, rural; Lillian Lyon, elementary; Catherine Warren, high school.

Gentry: Maxine Walker, rural; Alma Shepherd, elementary; Florence Spires, high school.

Grundy: Hilda McCowan, rural; Imogene Rattman, elementary; Kathleen Storms, high school.

Moreau: Helen Moore, rural; Genevieve Higgins, elementary; Elmer Cunningham, high school.

Nodaway: Bertha Spire, rural; Dorothy Alice Craven, elementary; Virginia Edwards, high school.

Platte: Jimmie Lou Chinn, rural; Ethel Nielson, elementary; Anna Mae Mauzey, high school.

Ray: Lynn Moore, rural; Edith Glenn, elementary; Frances Keel, high school.

Harrison: Ruth Butler, rural; Lewis Trotter, elementary; Maybelle Beeks, high school.

Worth: Troy Black, rural; Clifford Carr, elementary; Marceline Toops, high school.

## Referees Select All-Star B.B. Five For N.W. Missouri

Following the Northwest Missouri tournament held here, the two referees, Coach "Bud" Reid of Warrensburg and John Bunn, freshman coach at K. U. tackled the difficult task of picking and all-star tournament team. After much discussion and debating the following players were chosen from the 120 who participated in the tournament play:

**FIRST TEAM**  
McIntyre, Oregon, forward.  
W. Dowell, Gilman City, forward.  
Stalup, Oregon, center.  
Gill, Richmond, guard.  
V. Henderson, Gilman City, guard.

**SECOND TEAM**  
G. McGinness, Pickering, forward.

S. Brooks, Breckenridge, forward.  
McMurry, Maryville, center.  
Dreher, Oregon, guard.  
Morris, Pickering, guard.  
Because of their outstanding ability during the tournament the following thirteen men have been given honorable mention. B. Rickard, Pickering; Collier, Hale; Morris, Hale; L. Dowell, Gilman City; J. Brooks, Breckenridge; Smith, Maryville; McDaniels, Cameron; Morgan, Plattsburg; W. Harper, Plattsburg; Klump, Rock Port; Scarborough, Richmond; Zoesch, Trenton; Russell, Maryville.

## College High Is O.K. Says State Dept.—N. Central

Two Accrediting Agencies Approve Work Done in High School Here—Sixty-Three Now Enrolled.

The College High School is now a fully-accredited school in the North Central Association, President Lamkin announced following his return from Chicago last week. This ranking means that its graduates may enter colleges and universities without entrance examinations.

President Lamkin has also received a letter from State Superintendent of Schools, Charles A. Lee, saying that the College High School had been inspected and rated as a first class high school in Missouri.

"I have examined the report of my high school inspector," Superintendent Lee wrote, "and I am pleased to place your school upon the list of first class schools with 33 units of approved work. Your organization not only meets the needs of your junior and senior students who need to do supervised practice teaching, but the pupils enrolled are under direct supervision of the heads of the various departments of your College. This insures more efficient work in your high school department and it also keeps your academic department heads in your College in close touch with the actual classroom work in the Secondary School."

There are sixty-three students enrolled in the College High School so far this term with thirty-three practice teachers on the faculty. The High School held its assembly Friday morning. The first part of the hour was used in discussing business matters of the group. The remainder of the hour was spent in group singing.

**Elect Officers**

Lawrence Logan, president, and Jake Shambarger, vice-president of the Senior class have completed their work and consequently will not be in school this term. Fred Shambarger has been elected president, and Clarence Loyd, vice-president.

Those on the invitation committee are: Lawrence Logan, Marie Horn, and Katherine Lewis.

Lester Hall was chosen to represent the College High School in the oratory contest, sponsored by the Kansas City Star.

The seniors have had the first reading of their class play, which will be given some time in April. The play "Robin Hood," is to be given as a play and not an opera. The cast of characters has not been chosen yet.

Mrs. Lena Leeson will coach the play.

The girls in the Physical Education class are taking a course in rhythmic, which will prepare them for their part in the May Pete.

Some of the boys are being trained in track work, and others in sports and games. There are three coaches for the boys classes.

**33 Practice Teachers**

The following are the High School practice teachers and what each is teaching:

Claude Schaffer, Commercial Arithmetic; Stella Williams, Latin I; Max Reigard, History I; Ida Grubbs, English Vb and History IVc; Roy Dickman, Physics IVc; Muri Pilcher, English I; Hattie Jones, English I; Gladys Buehlman, English I; Voria Booze, English IVc; Miriam Geyer, History IIIc.

Wade Duncan, English IIIc; Mary Shields, Math I; Oca Clark, Math II; Lloyd Harris, Phys. Ed.; Eugene Wilson, Phys. Ed.; Oren Masters, Phys. Ed.; Martha Brandt, Phys. Ed.

Fred King, Science I; Joe Hathaway, Geog. IIIc; Beasle Haskell, Fine Arts IIIc; Alice Dodds, Fine Arts IIIc; Hesterlynn Shippis, Economics; Ludema Tannhill, commerce IIIc; Russell McCoy, commerce I; Arthur Reed, comm. I.

Lillian Ramsbottom, History IIc; Herbert Wood, History IIc; Ileneo Wethered, Home Economics; Bill Smith, Ind. Arts IIb; Earl Jones, Agriculture IIc; Ruth Harding, commerce I; Mary Cagley, France Ib.

**Sowing Time**

The Agriculture department has started sowing oats on the College farm. The nice weather, which makes possible early sowing, is making it rather difficult for members of the faculty to sow the seed of knowledge. All hail the sowing time, the time for that wonderful disease called Spring-fever.

## N.W. Missouri Champions Win State Tourney

Oregon Five, Victors of College Tourney, Will Represent Missouri At Chicago—Tourney Here Uncovers Strong Teams—Gilman City, Runners-up.

Fifteen of the best basketball teams in the state of Missouri, including the champion of St. Joseph, Kansas City, and St. Louis, were given an excellent demonstration of how the game is played in Northwest Missouri, when last week the Oregon quintet, winners of the College tournament here humbled each opponent with machine-like precision to win the state title at the University of Missouri tournament held at Columbia last week. Their victim in the final game was Springfield who carried home a 25 to 16 defeat by which to remember the Northwest Missouri boys.

This victory entitles the Oregon team to represent Missouri in the national high school tournament to be held at the University of Chicago.

Gilman City, runners-up of the Northwest Missouri tournament, lost its first game at the state tourney to Sedalia after putting up a game fight against the South Missouri team. Going into the consolation flight they were defeated in the semi-finals 29 to 25.

The Oregon team won its first game of the tournament by defeating Seldam High of St. Louis 31 to 23. The next team to fall before the Northwest offensive was the touted Northeast High of Kansas City, state champs of last year. The final whistle found them trailing 21 to 27.

That the Oregon five was the 'class' of the tournament was agreed by officials and visiting coaches. McIntyre and Stalup were placed on the all-state team picked following the tournament.

The Northwest Missourian voices the pride of the College and all Northwest Missouri in congratulating the Oregon team for its well-earned laurels.

**The Northwest Tourney CHAMPIONSHIP FLIGHT**

**First Round**  
Liberty 22, Kingston 9.  
Gilman City 23, Cameron 5.  
Pickering 26, Hale 19.

Rock Port 16, Albany 12.  
Trenton Won by forfeit, Excelsior Spgs.  
Richmond 40, Breckenridge 13.

Maryville 28, Mercer 15.  
Oregon 28, Plattsburg 19.

**Second Round**  
Gilman City 25, Liberty 13.  
Pickering 28, Rock Port 14.

Richmond 26, Trenton 18.  
Oregon 41, Maryville 16.

**Semi-Finals**  
Gilman City 36, Pickering 22.  
Oregon 17, Richmond 11.

**Finals**  
Oregon 28, Gilman City 18.

**CONSOLATION FLIGHT**

**First Round**  
Cameron 17, Kingston 9.  
Hale 18, Albany 11.

Breckenridge Won by for., Excels. Spgs.  
Plattsburg 34, Mercer 16.

**Second Round**  
Hale 26, Cameron 16.

Breckenridge 24, Plattsburg 22.

**Finals**  
Breckenridge 22, Hale 15.

By playing a consistent, heady, and polished brand of basketball, Coach Nye's quartet from Oregon swept aside all opposition and emerged champions in the Northwest Missouri district tournament held here at the College March 9 and 10. Gilman City, champions of Harrison County were the runners-up and Richmond nosed out Hale for the championship of the consolation flight.

Oregon High School won the championship by defeating Gilman City High School in the final game of the tourney. There were sixteen teams entered, the winners and runners-up of each of the eight sub-district tournaments entered the tournament.

The Gilman City team although defeated by Oregon exhibited a superior brand of basketball and downed Pickering, last year's outdoor champions by a score of 36 to 22. The Gilman team is coached by Harold Neal who was graduated from the State Teachers College in 1926.

**Losers Form Consolation Round**

The losers of the first round of play were paired off for a consolation tournament. Eight teams were left in the championship flight.

Liberty was defeated in the second round of play by the Gilman City five. The Gilman City quintet displayed a superior basketball ability and defeated easily the team which had downed Kingston by a large score in the first round.

In the second game of the second round Pickering took the game from Rock Port by a wide margin. The Rock Port team had won its first encounter from Albany by a close score and the Pickering team had little trouble in downing its opponents.

Trenton met defeat at the hands of the Richmond team by a score of 26 to 18. The game was hard fought and the Richmond boys gave their best.

The Oregon quintet displayed their

basketball playing powers in fine style in a tilt with Maryville. The Maryville team was unable to hold the red and white warriors and at the final whistle the score stood 41 to 16 for Oregon.

**The Semi-Finals**  
Gilman City won its way to the finals by a 36 to 22 win from the Pickering team. The game was hard fought and was anybody's battle until the third quarter when the Gilman boys scored several open shots which gave them a decisive lead.

In an attempt to win from the Oregon team in the second game of the semi-finals the Richmond quintet took a decided defensive stand and forced the Oregon lads to come after the ball. In spite of all their attempts to win from the Holt County boys the final period ended with a score of 17 to 11, Oregon.

**Oregon, 28 Gilman City, 18**  
In the final round of play Oregon laid claim to the championship title, but not so easily as the score might indicate. The teams were tied 5-all at the end of the first quarter. In the second quarter, however, the Oregon boys took the lead and steadily gained on the Gilman quintet until the third quarter when Gilman staged a rally and succeeded in making the score tally up eight points to their opponents 7 in the last period but still the last quarter attack fell short by 10 points of reaching the Oregon score.

Three representatives from Maryville State Teachers College have taken positions in the Watson High School at Watson, Missouri. Gordon Joy, a former student, has been elected as superintendent. Hazel Sullivan will teach English and French and Clement Rickman will conduct classes in Science.

## 8 Bearcats Get M's

(Continued from Page 1)

and favorable comment by coaches and sport writers there. In the first round they drew the strong Oklahoma Teachers five from Weatherford but came through with a 42 to 32 victory. Maryville gained an early lead which was 25 to 13 at the half, and maintained it throughout the game.

**Beats Chicago Team**  
By winning the first game they were matched with the highly touted Briggs Realtors, independent team of Chicago but swept them aside 22 to 19. The Bearcats lead all the way against this team, said to be composed of former Big Ten stars, and scored fourteen points before the Breezy City boys could tally. Hedges made fifteen points in this game but couldn't equal the twenty points made by Ungles the day before. The Kansas City Star of that day made the following comments:

"With two such stars as Burks and Ungles, this team is to be really feared," the Kansas City Star commented yesterday after the Bearcats' first game, in which they defeated the Southwestern Oklahoma Teachers of Weatherford, Okla.

"Starting play at 8 o'clock in the morning had no disadvantages for the Maryville Teachers," the Star added.

"Burks made the prize play of the day when he dribbled around one guard and between two others, then took a one-handed backward fling, giving the ball enough English to send it through the hoop."

In its running account of the game, the Star said further:

"The individual playing of Ungles and Burks was brilliant. Ungles shot nine baskets from the field and Burks five. Several of the Burks 2-point counters were from angles that startled the early morning patrons and officials."

Going into the third round the Bearcats drew the St. Joseph Hillyards,

champions of last year. They lost by a meager two points but what a game it was! Probably due to a little nervousness in playing against such veterans of the game, the Bearcats had difficulty in getting up steam for they were trailing at the half 13 to 4.

But such a sensational attack as they staged in the second half! Hedges led over the attack with several beautiful shots which brought the Convention Hall crowd of 6000 fans to its feet. With every man playing brilliantly it took only four minutes for the Maryville boys to tie the score—and the worried Hillyards called time out. The

Bearcats then regained the lead for the second time at 22 to 21. A few seconds before the end of the game the score was tied at 24-all when Mitchell, Hillyard forward, flipping a long, random shot which found its way through the basket to give the last year's champs a two-point lead and the game.

As one newspaper said after the game, "The Teachers gave everything they had in their attempt to topple the champions and the crowd had to admire the fight they made."

In the final game of the tournament the Cook Paints won the championship by defeating the Hillyards.
